In response to the Examiner's requirement for election of species, Applicants hereby identify as the elected species:

I. Claims 1-15, 17, 19-33, 35 and 37, drawn to a composite multilayer implantable material, classified in class 623, subclass 1.28.

Having responded in full to the restriction requirement and to the requirement for election of species, the application is now deemed to be in condition for examination. Favorable action thereon is respectfully solicited.

Should the Examiner have any questions or comments concerning this matter, the Examiner is respectfully invited to contact the undersigned attorney at the telephone number set forth below.

Respectfully submitted,

Stephen Cannavale
